Subject: Michael J. Meilinger District XI Sportsmanship Award – 2014-15

Once again District XI is proud to honor and recognize a member High School and member Middle School in memory of the late Michael J. Meilinger with its Sportsmanship Award.

The procedure in determining the recipients is as follows: a letter must be submitted to District XI Sportsmanship Chair Elaine Arnts. Included in the letter should be the reason for your nomination of the school, along with any unique programs that are offered by the school in terms of sportsmanship for your athletes, student body, or community. A guide for athletic courtesy can be found in the PIAA Handbook under By-Laws.

Letters are due to Elaine Arnts, District XI Sportsmanship Chair by Friday, April 3, 2015. Please mail to:

Elaine Arnts, Assistant Athletic Director Fax: 610-250-2600

Easton High School

Email: arntse@eastonsd.org

401 S. 25th St.

Easton, PA 18045

Awards will be presented at the annual District XI Principals' / Athletic Directors' Annual Meeting on April 28, 2015.

The District XI Committee is proud of the sportsmanship exhibited by all of our participating schools. We know this will be a difficult decision for our committee. This is a positive program for our athletes, students, and schools. We look forward to the task.

Should you have any questions, do not hesitate to contact me at your convenience.

Yours in Athletics,

Robert F. Hartman, Jr.
