WRESTLING TOURNAMENT

District I	- 3 qualifiers
District III	- 6 qualifiers
District XI	- 4 qualifiers
District XII	<u>- 3 qualifiers</u>
	16 qualifiers

SEEDING FORMAT Based on 24 bracket patterns from Seeded District Champions

1. The four District champions will be seeded on points based on the combination of:
 - A. **Winning Percentage** -- i.e., the number of victories divided by the total number of matches wrestled. A wrestler must have wrestled a minimum of 12 matches. **Eight points will be deducted for each match less than 12.** Winning percentage will be based on the record that a wrestler has at the end of the regular season (**do not use District Team or Individual Tournament results**).
 - B. **Prestige Points** -- i.e., a wrestler will be awarded points for his highest place finish in the previous year's State Tournament. The points awarded will be consistent in all three Districts.
2. The four District champions will be placed in the sixteen-man bracket on lines 1, 16, 8, and 9 respectfully.
3. The first and fourth place finishers from each District will be placed in the same half bracket, where applicable. The second and third place finishers from each District will be placed in the half bracket opposite the District champion. Samples of all brackets are attached.
4. The top four place finishers from any District cannot meet until the semi-final round.
5. One of twenty-four possible bracketing combinations will be used based on the seeding of the four District champions.
