SEEDING PROCEDURES/FORMAT

1. The four District champions will be seeded on points based on the combination of:
 - A. **Winning Percentage** -- i.e., the number of victories divided by the total number of matches wrestled. A wrestler must have wrestled a minimum of 12 matches. **Eight points will be deducted for each match less than 12.** Winning percentage will be based on the record that a wrestler has at the end of the regular season (**do not use District Team or Individual Tournament results**).
 - B. **Prestige Points** -- i.e., a wrestler will be awarded points for his highest place finish in the previous year's State Tournament. The points awarded will be consistent in all three Districts.
 - C. Medical Forfeits – Medical forfeits are not allowed in PIAA wrestling. This includes matches wrestled out of PIAA jurisdiction. Matches not wrestled under forfeit conditions are either wins or losses.
2. The four District champions will be placed in the sixteen-man bracket on lines 1, 8, 9, and 16 respectfully by seeding points.
3. The first and fourth place finishers from each Districts 11 and 12 will be placed in the same half bracket. The second and third place finishers from all Districts will be placed in the half bracket opposite the District champion. The District runner-ups will be placed in the half bracket opposite the District champions. Samples of all brackets are attached.
4. The top four place finishers from any District cannot meet until the semi-final round.
5. Complete wrestle backs will be conducted to 6th place to determine the 1st alternate to the PIAA tournament.
